HMR MD MEETS SPEAKER TO DISCUSS REALIGNMENT

DC CORRESPONDENT
HYDERABAD, JUNE 28

Hyderabad Metro Rail managing director N.V.S. Reddy will meet TS Legislative Assembly speaker S. Madhusudhana Chary on Saturday. The meeting is significant in the backdrop of proposed realignment of Metro in front of Assembly.

HMR sources said Mr

Reddy would brief the speaker about the original metro route and the proposed realignment.

TS is seeking realignment on metro route in front of Assembly on the ground of 'security threat' besides protecting T-martyrs memorial. However, the L&T has been claiming that there would not be any threat as the viaduct would be far away from both sites.
