## 3 ROBs in Metro Corridor to be completed in one year

**HYDERABAD:** The three ROBs (Rail Over Bridges) in the Metro Corridor - III will be completed by the next one year, said Hyderabad Metro Rail managing director NVS Reddy on Saturday.

The HMR officials including MD NVS Reddy, Metro Rail project director MP Naidu and others inspected the ongoing works of Hyderabad Metro Rail at Oliphanta, Chilkalguda and Alugadda Bavi in Secunderabad.

During the visit, the MD inspected the water and sewage pipeline management and demolitions done at these places. He asked the officials to make alternate arrangements for the railway water pipelines which fall under the metro corridor.

The MD has asked the HMR officials to complete the underground works in the corridor - III (Nagole to Shilparamam) in one month. He said that they were planning to complete the construction of three Rail Over Bridges (ROBs) at Oliphanta, Chilkalguda and Alugadda Bavi in one year.
